

YGUIDES & PRINCESSES™

We build strong kids, strong families, strong communities.

The YMCA of Orange County is a membership based organization. YMCA Membership must be current throughout the duration of the program. If the participants do not have a YMCA membership, you are required to purchase one. We offer two kinds to suit your family needs:

YMCA Membership

A Family Facility Membership allows you full access to the facility, group exercise classes, pool, weight and cardio room, KidsZone, and 50% off most programs. If you're interested in enrolling in a Family Facility Membership, it's best to register at the facility so we can discuss your membership. Payments are monthly with a one time enrollment fee of \$90. If you currently have a Program Membership, there is no enrollment fee!

A Program Membership is a yearly membership which allows you to participate in all our programs such as Y-Sports, Swim Lessons and more, however; no facility use. \$90/family for one year from the date in which you sign up. If you currently have a Program Membership, you are eligible to upgrade to a Family Facility Membership with no enrollment fee.
